## Who'll Be The Next?

ANOTHER YOUNG COUPLE SUR PRISE THEIR FRIENDS

Elopements seem to be all the rage in Lincoln and the adicining country just at present, and so many have taken place latei; that the first question asked in the mornings is "Well, who got married last 1 ight"

The latest couple to selender to the little god of love were Adam Pence and Miss Elizabeth Baughman. who slipped away to the residence of Rev. J. J. Dickey Tuesday night where the words were said which united them heart and hand.

Mr. Pence is a son of E. T. Pence and is one of the best known young farmers in the county and liked by everyone. His bride is the fourth daughter of Mr. and Mrs. M. S. Baughman, and is very attractive and popular. Both had kept the news of their intentions very quiet and it came as a surprise to everyone. They will make their home for the present at Mr. Pence's farm on the cut-off pike to Crab Orchard.

He is of the opinion that the heavy drinkers are growing better or else fast disappearing, as the Keely department at the springs is not loaded with patients as is usually the case at this time of the year. From what he has seen, he says the Keely cure is the greatest thing of the age, and a monument should be placed in the Hall of Fame to its founder --Richmond Climax.

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own

fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this results indigestion, piles, weariness, etc., that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels to moving. You will find that when the bowels move regularly once or twice a day all your petty ilis will disappear. Take a good, mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or saits, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.
